

ACTION KARATE CAREER LADDER

This is the highest level of leadership in Action. Helping others achieve their dreams, empower students and enjoy financial success.

◀ **Developer**

Partner ▶

You are now trusted to carry on the high standards of Action Karate in a new community.

Responsible for the school, class managers, instructors, Leadership Teams and business development. 40 – 50 hours per week.

◀ **School Manager**

Class Manager ▶

Responsible for all student progress, attendance, stripes and curriculum. Teach adults, kids or both.

Learn the skills to teach the class you find most fits your personality. First step in a career with Action Karate.

◀ **Certification**

Leadership ▶

You love the Action Karate lifestyle and want to impact others. Through Action Leadership training, you will learn the skills to develop and mentor.

The first, hardest & most important step. Getting outside of your comfort zone and bowing on to the mat to start a martial arts journey can be intimidating, and exhilarating. The empowerment of Action has exponential affects.

◀ **Student**
